The LBI Experience

Long Beach Island is composed of a close-knit community with offerings that are unparalleled to any other destination along the coastline. It is a place to unwind, to settle down, and to create new beginnings. Days are spent enjoying the natural riches of LBI, including the Barnegat Bay to the West and the Atlantic Ocean to the East. With a long sprawling beach line, guests can relax under the sun, surf the waves, or pick up a bike rental. The LBI shuttle service and private transportation providers offer transportation throughout the island's entire 18-miles, making it easy to safely travel to any destination.

The island is incredibly kid-friendly, making it easy for families to create memories and explore new experiences. Enjoy a day at Fantasy Island Amusement Park, play mini-golf, explore Thundering Surf waterpark, cruise around Barnegat Light, or catch a show at Surfflight Theater.

LBI offers a surplus of dining amenities with fresh local seafood starring in most of the restaurants. Unsure of where to start? Ask any member of the Hotel LBI team—we invite you to explore and be enchanted by our charming haven.

Climate

At Long Beach Island, you can experience every season the North East has to offer. Warm, sunny summer days are what the Jersey Shore is known for, but guests and residents enjoy a blossoming Spring, foliage-full Fall, and snowy Winter as well. Each season offers a wealth of activities, from outdoor sports to festivals and events. Peak season begins in May and lasts through the end of August, with most guests flocking to the beautiful LBI beaches to swim, surf, and sunbathe. Due to weather shifts each season, we recommend guests check the weather forecast close to their trip to ensure proper attire and preparation.
